ABOUT ME

DJ Romi SoulPower from Stuttgart Germany wants for her listeners to create a powerful but sensitive atmosphere that mesmerizes with Latin/Afro/Shamanic/House sounds. Music is in her blood and with over 10 years of active stage experience as a Zumba instructor, she lives it from the bottom of her heart. Since the end of 2022 she is an Ecstatic Dance DJ, producing her own mixes and thus carrying her magical gift to the outside world to put a smile on the face of others and help them to bring out their true essence.
